We are trying to cut down on cost and paper waste! Please provide an email address for your student's newsletter to be sent electronically. If you already receive the newsletter via email, please provide your email in order for us to update our system. If you do not have access to email, list the name of your oldest student at the elementary, and we will continue to provide a paper copy. The newsletter typically averages 5-6 pages, and we make over 250 copies of it each month...so we will save around 1250-1500 pages per month if we are completely electronic! Thank you!!
