Learners Today ~ Leaders Tomorrow

November 2016

From Mrs. McIntire

When you walk into North White Elementary you feel like you've walked into a party. Our hallways are amazing! A big shout-out to everyone for their hard work. First impressions often are lasting impressions. Since schools aim to help young people develop an array of talents and knowledge, shouldn't they make this clear as people first walk into their building?

There is something so special about school for our new learners. It is the start of the single greatest intellectual growth journey anyone will ever take. These young people walk into our building unaware of the world around them and they leave 12 years later ready to contribute to society. Amazing!

We have a great deal to celebrate and to be thankful for at North White Elementary. We are truly thankful for all of our families. We thank our parents for coming to Parent Teacher Conferences and discussing your child's progress during the first nine weeks of school.

We are grateful to the PTO, Cafeteria staff, and the secretaries for organizing dinner for the staff on the evenings of conferences. Thank-you very much for the delicious food!

We are thankful to our local Fire Department for taking their time to visit our schools during Fire Prevention Week.

Mostly, we are thankful for our children! What blessings they are—to all of us!

We all celebrate all that we have!

Students will have Wednesday, November 23; Thursday, November 24; and Friday, November 25 off for Thanksgiving break.

De Mrs. McIntire

Cuando usted camina dentro de North White Elementary se sentirá como que ha entrado a una fiesta. Nuestros pasillos están maravillosos! Un grande grito para todos por su gran trabajo. Primeras impresiones a menudo son duraderas impresiones. Ya que las escuelas tienen como objetivo a ayudar a personas jóvenes a desarrollar formas de talento y conocimiento, Since schools aim to help young people develop an array of talents and knowledge, ¿no deberían dejar esto en claro cuando la gente primero entran en su edificio?

Hay algo de especial en la escuela para nuestros nuevos estudiantes. Es el comienzo de la única gran viaje de crecimiento intelectual que algún puede tomar. Estos jóvenes entran a nuestro edificio inconscientes del mundo que les rodea y se van después de 12 años dispuesta a contribuir a la sociedad. ¡Asombroso!

Tenemos mucho que celebrar y estar agradecido por un Norte White Elementary. Estamos verdaderamente agradecidos por todas nuestras familias. Agradecemos a nuestros padres por asistir a las conferencias de padres y maestros y discutir el progreso de su hijo durante las primeras nueve semanas de clases.

Estamos agradecidos con el PTO, personal de la Cafetería, y las secretarias por el maravillosa cena para el personal en la noche de conferencias. Muchas gracias por la comida deliciosa!

Estamos agradecidos con el departamento de bomberos local por haberse tomado el tiempo de visitarnos en nuestra escuela durante la semana de prevención de fuego.

Principalmente, Estamos agradecidos por nuestros niños! Que bendición son ellos para— todos nosotros!

Todos nosotros celebramos todo lo que tenemos!

Los estudiantes tendrán el Miércoles, Noviembre 23; Jueves, Noviembre 24; y el Viernes, Noviembre 25 fuera para las vacaciones de acción de gracias.
